Dear Dr. Bonkovshy,

We will be glad to analyze the sample for you. If it is just one sample it will be \$500.00. Multiple samples will be at a lower rate.

Thanks,

Dear Mahmoud—

I have been hoping to hear from you and to receive a quote for what your charge would be for analysis of a batch of OxyElite Pro.

Please get back to me.

My cell number is 978 660 0915.
